

Local Plan 2021-2040: Main Modifications Part 1 consultation (August 2024)

Borough Council of King's Lynn & West Norfolk

Addendum to Habitat Regulations Assessment (Appendix 3), July 2024

The “Habitat Regulations Assessment of the King’s Lynn and West Norfolk Local Plan 2021-2040 at Main Modifications” document (Footprint Ecology, July 2024), includes references to Main Modifications in an earlier draft version of the document. These refer to an earlier draft version of the document and, as such, the final Main Modifications (MMs) differ from those referenced in the Habitat Regulations Assessment (HRA) document.

Accordingly, this Addendum note has been prepared, to reconcile the HRA document (Appendix 3) with the Schedule of MMs, as published for consultation.
