Dear Sir/Madam,

Thank you for inviting Historic England to comment on the Regulation 16 Submission version of this Neighbourhood Plan.

We welcome the publication of this Plan and are pleased to see Ringstead's historic environment features throughout, supported by detailed commentary in Section 6 'Built and Historic Environment', and the policies RNP 12 and 13.

Having reviewed the plan and relevant documentation we do not consider it necessary for Historic England to provide detailed comments at this time. We would refer you if appropriate to any previous comments submitted at Regulation 14 stage, and for any further information to our detailed advice on successfully incorporating historic environment considerations into a neighbourhood plan, which can be found here: <https://historicengland.org.uk/advice/planning/plan-making/improve-your-neighbourhood/>

We would be grateful if you would notify us on [eastplanningpolicy@historicengland.org.uk](mailto:eastplanningpolicy@historicengland.org.uk) [<mailto:eastplanningpolicy@historicengland.org.uk>](mailto:eastplanningpolicy@historicengland.org.uk) if and when the Neighbourhood Plan is made by the council. To avoid any doubt, this letter does not reflect our obligation to provide further advice on or, potentially, object to specific proposals which may subsequently arise as a result of the proposed plan, where we consider these would have an adverse effect on the historic environment.

Please do contact me, either via email or the number above, if you have any queries.

Yours Sincerely
