**Summary of Comments:**

Please give details of why you consider the proposed Main Modification that you are commenting on is sound (“Yes”) or unsound (“No”), with reference to the tests above. Please be as precise as possible.

The requirements for an applicant to have to fund the independent verification of any viability assessment submitted is unsound. I refer the Inspectors to the Inspectors Report of the Fenland Local Plan 2014 para 76 (attached) which required that Council to remove that provision as a modification on soundness grounds because the payment of otherwise of those costs would not be relevant to the planning merits of the viability issue. It is requested that Inspectors require this provision for payment to be deleted.

Inspectors report referred to attached to our email

Please note you should cover succinctly all the information, evidence and supporting information necessary to support/justify your comments.
