To which test of soundness does your representation relate?

The Local Plan 2021-2040 is currently under examination by Planning Inspectors, appointed by the Secretary of State). The Inspectors will assess the proposed Main Modifications against the soundness tests. Please indicate whether you consider the proposed Main Modification about which you are responding is:

	[Please tick appropriate box]	YES	NO
Legally compliant?			
Complies with the Duty to cooperate?			
Positively prepared (i.e. seeks to meet the area’s objectively assessed needs)?	X		
Justified (an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence)?	X		
Effective (i.e. deliverable over the plan period)?	X		
Consistent with national policy (National Planning Policy Framework: National Planning Policy Framework (publishing.service.gov.uk))?	X		

Summary of Comments:

Please give details of why you consider the proposed Main Modification that you are commenting on is sound (“Yes”) or unsound (“No”), with reference to the tests above. Please be as precise as possible.

During the EIP it was accepted and agreed that the progress with development of Poplar Fields Drive, Walton Highway (which is not an existing allocation, was sufficiently advanced to now be included in the development area boundary , for consistence with other sites elsewhere (eg PM10/2 and PM10/5 and multiple others) already substantially developed or completed PM 10/3 excludes this area which is unsound on the basis of consistence of approach. It is requested that the Proposed Plan under PM10/3 is amended to include within the red line the area coloured in green on the attached excerpt Which represents the extent of this development currently outside the development boundary.
