Dear Sir/Madam

Thank you for consulting National Highways on the abovementioned Main Modifications Part 1 for the King's Lynn and West Norfolk Local Plan 2021-2040.

National Highways is a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN).

It has been noted that once adopted, the Local Plan will become a material consideration in the determination of planning applications. Where relevant, National Highways will be a statutory consultee on future planning applications within the area and will assess the impact on the SRN of a planning application accordingly. Where development comes forward within proximity of the SRN, the applicant is strongly advised to discuss the content of the Transport Assessment and other required assessments, such as those to comply with the DMRB, with the National Highways prior to submission of a planning application.

Notwithstanding the above comments, we have reviewed the document and note the proposed main modifications of set out within the document are unlikely to have an severe impact on the operation of the trunk road beyond the impact set out within the submission version of the Local Plan.

Kind Regards

Alice
