CORONATION MESSAGES  
FROM SCHOOL CHILDREN  
IN WEST NORFOLK

## Your Majesties,

We offer our  
warmest congratulations on your Coronation.  
May your reign be a long, healthy and prosperous one.

To mark your Coronation,  
the Borough Council of King's Lynn & West Norfolk  
gifted all nursery and primary school aged children living in  
the borough with a specially commissioned Coronation coin.

We also invited them to draw or write a message to you, our  
King and Queen, in celebration of this momentous event.

Contained within the pages of this book are the  
messages that pupils from every primary school in the borough  
have carefully crafted to Their Majesties King Charles III  
and Queen Camilla. We hope these very personal  
messages serve to demonstrate the uniquely special  
place the Royal Family has in the hearts of  
the people of west Norfolk.

God bless you both.

Coronation Arts

The whole school did a portrait of Charles III. Year 4 did emblems and included some things that King Charles III likes.

The whole school went red, white and blue with bunting, flowers and drawings.

My class (year 4 Cromwell Class) planted red and blue flowers in the courtyard near our classroom.

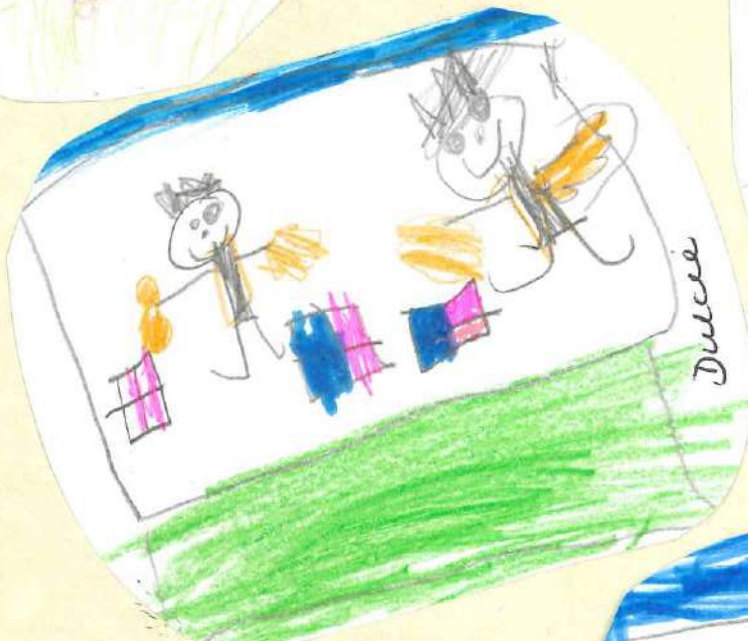

A museum in Kings Lynn sent an invitation to our school saying they would like us to design an Eco-friendly crown. Some crowns are displayed at school some are displayed in stories of Lynn.

# The Promise Tree

The Promise Tree, created on the Coronation Weekend of King Charles and Queen Camilla, 6 & 7 May 2023.

These promises have been pledged by the children and families of The Borough of King's Lynn and West Norfolk, in the hope that they will support King Charles' and Queen Camilla's commitment to protecting the environments in our precious world.

In the photograph of the Promise Tree that follows, we are delighted to have been able to include, in the foreground, a blooming, pink rose, the "Queen Elizabeth Rose".

This rose bush, and two others, were planted by the students of the local complex needs school, Churchill Park Academy. The students were at the Stories of Lynn Museum, undertaking the voluntary element of their Duke of Edinburgh Bronze Award. They planted the roses to mark the event of the Platinum Jubilee of Her Majesty Queen Elizabeth II in 2022.

It is felt that the photograph is a truly significant image of the bringing together by the children and young people of West Norfolk of your coronation, and the memory of your mother and the legacy of your father.

Why we love our King

Our King is an inspiration,  
Many interests he has,  
Polo, Skiing, Painting, Playing the Cello, Nature,  
Organic farming, Countryside and Trees,  
This is our King always at ease,  
His love for our planet gives everyone hope,  
His passion for Climate action is always noticed,  
His support to over 400 charities says it all,  
He wants to make a difference, a change for good,  
The Prince's Trust set up to improve young peoples lives,  
He is helpful, kind and full of joy,  
He is the perfect King for us all,  
This is why we love our King.
